From the Editor

I'm Late, I'm Late for a very important date. I feel a little like the white rabbit this month as we shuck off the cold shawl of winter and welcome in the warmer weather of Spring. There is so much happening both on and off the radio but at least I have rounded up some very interesting pieces for your perusal this month. Sit back and relax with a hot cuppa or a cold drink if you prefer and enjoy.

What's your program?

Movie Music Morning

Why did you decide to do your program

I decided to do my program because I have an interest in all types of Movies, including Movie Soundtracks. And I have been doing it now since August 1997.

What do you love about doing Movie Music Morning?

I love playing songs from soundtracks, including the latest releases. I also like, when the listeners ring and ask, what date is a certain movie being released. I like to think that I am playing a range of music, which suits all listeners, especially from the movies and musicals.

What kind of music do you play on your show?

I play soundtracks 80's (I love 80's Music), Feature Artists, also 50's, 60's, 70's, 90's and today. I try to present music from all different eras.

What are some of the features of the show?

Apart from the music, I have cinema ticket giveaways and interviews with singers, actors etc. I play requests when listeners ring and ask me to play a certain song.

Are you involved in any other way at the station?

I am involved with PBA-FM, not only as a presenter but also I am in charge of the CD Library.

Saturday Morning music at 9am with Sue Wohl and Phil Bannigan. Not just Music though, we have silly questions from the television show *'Quite Interesting'* and lame jokes.
