

FEBRUARY 2020 NEWSLETTER

PBA-FM 89.7 - Adelaide's Northern Voice since 28th January 1983

A Word from the Editor – Sam Michali

Wow! Adelaide comes Alive. What a month we have ahead, so many wonderful things in and around our community and Adelaide wide. Whether you are into Sports or Music and anything in-between, there has to be something to whet your appetite. The Tour Down Under came and finished with a flourish and now we have Womadelaide, Adelaide 500, The Fringe, Salisbury Secret Garden and too much more coming up to list them all here. We have all collectively held our breath while we sat and watched the devastation happening all over our beautiful country. So much sadness and loss, but now it is time to celebrate life and the wonders around us.

I am still waiting to hear from you, my readers (submissions to newsletter@pbafm.org.au). I would love to print some 'Letters to the Editor', so have your say about our shows or our community at large.

Well Versed is finally here. Launch is set for 18th
February 2020 at the PBA-FM Studios at 10am,
followed by the first 'To Air' poems at 11am.

We are giving you a sneak peek into the poetry coming your way by not only broadcasting the poems submitted, but (with the poets permission of course) printing some here in the Newsletter. A quick note to our wonderful poets, if you would like to have your poem printed please send me an email at newsletter@pbafm.org.au along with the poem you would like to put forward.

Here is one of the poems submitted this year written by Kaleen Kar.
Thank you Kaleen for your entries.

COLOURS

When I am alone and sad,

Colour me blue.

When I'm angry and annoyed,

Colour me Red.

When the food I eat starts to repeat,

Colour me Green.

When I have the crap scared out of me,

Colour me White.

But when I stand up for myself,

Colour me Brave.

When I find a new friend,

Colour me Lucky.

When something goes my way,

Colour me Surprised.

When your arms wrap around me,

Colour me Loved.

You can colour me any way you like,

But I will never give up the fight.

To be the best I can ever be,

To keep my spirit happy and free.

SUPPORTING OUR SPONSORS

As we did last year, each month we will be highlighting one or two of our sponsors to say thank you for coming on board. We would also like to think that by doing these highlights that you, our listeners and readers, will also be supporting our local businesses when looking for somewhere to buy. This month we want to say thank you to:

It is summer and definitely time to be careful in the sun. Be aware.

Time to have your vehicle checked?
Why not call our sponsor and support him as he is supporting us.

Are you looking to broaden your image?? Want to have your voice heard in our community? Why not join the PBA-FM family by sponsorship. It is a wonderful way to get your message out not only to more people but a diverse tuned-in audience. We have everything from classic to hard rock and everything in-between, and shows that highlight special people and events. There is something for everyone. You can become a station sponsor or maybe there is a particular show that you think would fit with your business. Interested? Contact our Sales Executive, Sherina Winton on 8250 3735 or email sherina.winton@pbafm.org.au.

Board Meetings

You may not know it but according to our Constitution, board meetings are open to all PBA FM members. As a member, you are free to attend board meetings, to find out what's going on and to have your say. You don't have voting rights but you are very welcome to come along and participate. We meet at the station at 7pm on the last Monday of the month. This month, that would be Monday the 24th February. Welcome!

NEW SHOW TO 2020

We have new shows lined up for 2020 and the next one I would like to introduce to you is Zoe, Sampson & Frenchy 'for your Monday Brekky' from 7am with the focus of bringing the 'community' back to community radio. Tune in-I am sure you will love them.

Membership Fees

At the December board meeting, it was decided that membership fees ought to go up to be in line with other community radio stations.

Full price is now \$50 per year and Concession is \$35.

Thank you your support.

We are PBA FM by Mona Khizam

Hello all, to add to Sam's Fireside Chats, I am launching "**We are PBA FM**". This is a mini-exposé on PBA FM volunteers. The names come out of a hat, I call you, you say 'Yeah, sure' or 'Nick off' and then together we write a bit about your PBA FM experience.

First up is Bruce Richmond. As far as I understand, Bruce has been with PBA FM since the dawn of time. And for 12 of those years, his dog Pippi was the unofficial station mascot (see very cute picture below). Bruce's interest is in seventies and movie music and his program, "Living in the 70's" goes to air on Wednesdays at 2.30pm.

Bruce is also pretty active in helping to organise and promote events, the most recent being Back in Black on Australia Day. Staged at The Gov, the numbers were very good and the music fab.

Bruce's mother, June, has also been a PBA FM stalwart for many years. She says that her 6 years at PBA FM were the best 6 years of her life. Speaking of June, I'd like to take this opportunity to again thank June and the family for their very kind donation to the station last year. The money will go to a Studio Booking PC (\$250), a 1.5m wide roll up banner (\$309), a dB Poweramp licence for CD ripping (\$68), a contribution to the cost of a new printer (\$128.20) and a contribution to a screen/TV for digital promotions (\$244.80).

February is chock-a-block with Strategic Planning Days at the station:

Strategic Planning Day 1 - Saturday February 22nd (9.30am - 4.30pm)

Strategic Planning Day 2 - Sunday February 23rd (11.30 - 6pm)

Strategic Planning Day 3 - Saturday February 29th (9.30 am - 4.30pm)

Strategic Planning Day 4 - Sunday March 1st (11.30 - 6pm)

It's a lot and of course, many people won't be able to make all four days but if you can, please do! It's important to attend as many Strategic Planning Days as you can because PBA FM is going through a period of change - exciting change! We are building financial resilience while at the same time increasing community engagement and we need to be sure that everybody's voice is heard. Come and say what you think works really well and what you think needs changing. What do you want PBA FM to look like in 2020 and beyond?
